Answer:

- 1. True
- 2. True
- 3. True
- 4. False
- 5. True

All Task in Unit 2

Describe the tables below. You must make at least five descriptions and must not describe the same thing twice.

Table 1: The numbers of applications, applicants and accepted applicants

| | 1999 | 2000 | 2001 | 2002 | 2003 |
|---------------------|-----------|---------------|---------------|---------------|----------|
| Applications | 1,974,747 | 1,943,18 1 | 1,959,87 9 | 1,978,65 9 | 2,046,13 |
| Applicants | 442,931 | 442,028 | 453,833 | 461,365 | 476,467 |
| Accepted Applicants | 334,594 | 339,747 | 358,041 | 368,115 | 374,307 |

Table 2: The number of applicants by Age

| Age (4 categories) | 1999 | 2000 | 2001 | 2002 | 2003 |
|--------------------|---------|---------|---------|---------|-------------|
| 20 and under | 341,212 | 340,517 | 345,899 | 347,970 | 356,49 0 |
| 21 to 24 | 50,867 | 51,187 | 55,429 | 59,486 | 62,426 |
| 25 to 39 | 42, 468 | 41,747 | 43,070 | 44,067 | 46,990 |
| 40 and over | 8384 | 8577 | 9438 | 9842 | 10,561 |
| Total | 442,931 | 442,028 | 453,833 | 461,465 | 476,46 7 |

Answer:

Table 1:

The table shows the numbers of applications, applicants, and accepted applicants over fiveyears.

The number of applications has increased each year from 1999 to 2003.

The number of applicants has remained relatively stable over the same period.

The number of accepted applicants has also increased each year from 1999 to 2003. In 2003, there were over 2 million applications for the program.

Table 2:

The table shows the number of applicants by age in five different years.

The largest age category is 20 and under, with over 350,000 applicants in 2003.

The number of applicants in the 21 to 24 age category has increased over the five-yearperiod.

The number of applicants in the 25 to 39 age category has also increased over the

| period. The number of applicants in the 40 and over age category is the smallest of the four age categories. | | | | |

- a. What nationality do you think the people in the text are?
- b. List some of the clothes you think women shouldn't wear in Asian and Muslim countries!
- c. Is your main meal of the day the same as in Italy or Spain?
- d. In which country do they prefer not to discuss business during meals?
- e. What are some of the rules of business cards?
- f. Why is it not a good idea to say to your Japanese business colleagues "I don't feel like stayingout late tonight."?
- g. Which 'Extra Tips' are about food and drink? Which ones are about general behavior?

Answer:

- a. The text does not provide enough information to determine the nationality of the peoplementioned.
- b. The text mentions that in Asian and Muslim countries, women shouldn't reveal their bodies, but it does not specify which clothes they should not wear.
- c. The text mentions that in Italy, Spain, and Latin America, lunch is often the biggest meal of the day, but it does not compare it to the main meal of other countries or mention the main mealin the country where the text is from.
- d. The text mentions that in China, you should not discuss business during a meal.
- e. The text mentions that in Japan, when presenting a business card, you should use both hands and present it with the writing facing the recipient. The text also mentions that it is a good idea tohave the reverse side of the card printed in the local language if you are traveling to a country where your language is not widely spoken.
- f. The text explains that it is not a good idea to say to your Japanese business colleagues "I don't feel like staying out late tonight" because Japanese business people consider it their professional duty to go out after work with colleagues to restaurants, bars, or nightclubs, and refusing such aninvitation might be seen as impolite.
- g. The "Extra Tips" are about general behavior, except for tip number one, which is about foodand drink.

- 1. What does customs mean?
- 2. Do customs change time by time?
- 3. Why do particular customs exist? Mention three different reasons!
- 4. Can you give an example of a customs?
- 5. What are the sources of customs according to the text?
